VICE CHANCELLOR'S MESSAGE

The College of Home Economics (CHE) has a place in history through its splendid services to female education in Pakistan. Female education is the unavoidable requirement of every healthy and progressive society and nation. CHE has played a leading role in fulfilling this requirement of the nation in the NW region of Pakistan since its inception.

The CHE has a distinction for not only focusing on academics but taking a great care in personality building of the students and equipping them with additional skills to play a useful role in the society. Many courses related to Home Economics are offered ranging from FA, BS, MS/M.Phil to Ph.D.

It gives the female students the leverage to avoid the possible hurdles during their academic process enabling them to have the opportunity of higher education. The faculty is highly qualified ensuring attainment of education at its finest. Healthy learning environment is provided to the students for sound development of their personality.

All the classrooms and labs are well equipped. All the required facilities for curricular and co-curricular activities are readily available for students. The alumni of the college are serving in numerous disciplines proving themselves as efficient members of the society. I hope the students avail the positive educational environment this year as well.

I wish them success in future.

Prof. Johar Ali, PhD
Vice-Chancellor

PRINCIPAL'S MESSAGE

College of Home Economics is a unique and prestigious institution of University of Peshawar. Since its Establishment in 1954, it has been instrumental in producing young entrepreneurs. It offers diverse interdisciplinary subjects and equips students with practical knowledge. It has always been my preoccupation to encourage the spirit of enquiry among students as inquisitive mindset is a prerequisite to unprecedented discoveries. Under my leadership, I hope to see tremendous progress in the field of research. Transitioning from being home maker to achieving professional excellence involves identifying inherent talent and pursuing relevant specialization.

Keeping in view the emerging trends and currency of Home Economics education, the curriculum has been revised to meet the challenges students might face in the marketplace.

Home Economics education is a journey from being home maker to young entrepreneur. Having highly qualified staff at College of Home Economics gives this institution a distinctive aura. It has the honor of being only institution which enables its graduates to pursue higher studies in their hometown by offering M.Phil/ PhD. I hope to see this institution at the pinnacle of glory in my tenure.

Prof. Shazia Ghulam Muhammad, *PhD*

Principal

College of Home Economics
University of Peshawar

INTRODUCTION

PREFACE

The study of Home Economics as a distinct discipline was introduced in the country soon after Pakistan's emergence on the world's map. Initially, the University of Peshawar in collaboration with Colorado State University USA set up a separate department devoted to the subject in 1954. The department was later upgraded to the status of a College in 1963. Her Majesty Queen Elizabeth II inaugurated the present building. One of the only nine Colleges in Pakistan devoted to the study of Home Economics; this college was initiated in an effort to develop a complete educational program for the preparation of young girls to meet the challenges of free society.

The institution seeks to equip young women with the specialized knowledge, skills, awareness, and the right attitude needed to launch them successfully in their social and professional lives. This field of study extends opportunities for following careers in an increasing number of professions. Therefore, it has acquired a special significance to mould the female generation, providing them with an opportunity of studying a unique blend of both science and art related subjects. This opens up future avenues for personal, professional, and social enhancement.

The College of Home Economics not only aims to turn out well-informed future mothers, but also Interior Designers, Dietitians, Textile Designers, Fashion Designers, Small Business Managers, Teachers, Event Organizers and Research Workers.

OBJECTIVES

The College seeks:

- ▶ To provide up to date and modern education to the students.
- ▶ To inculcate a true appreciation of religious and Islamic values in the practical lives of the students.
- ▶ To develop social sensibilities and prepare students to cope better with their various roles not only as individuals, but as family members and citizens of the state.
- ▶ To develop a positive attitude towards life.
- ▶ To gear women towards professional careers and general socioeconomic development.
- ▶ To build confidence in young women to realize the importance of their distinct role as nation builders.
- ▶ To expose the students to the latest knowledge and technology to familiarize them with the advancements in the industrial sector.
